Subject: Friendship by correspondence

The email body contains the following text:

Dear Sami,

I found your name and address in a list at www.makingfriends.org, so I quickly began to type you these few words.

My name is Melinda Griffeth. I am a Polish girl. I'm 18 years old. I am a pupil at the secondary school. I am tall with long hair and blue eyes.

In Poland, school begins at 8 o'clock except Saturdays and Sundays because everybody is on weekend. My friends and I often practise tennis and go to the cinema in weekends, but I never forget my school duties. I always make sure that my homeworks are done before leaving home.

My family and I live in Warsaw. It is the capital city of Poland. Dad is a carpenter and my mother is a midwife. She likes her job very much and she is very good at it. I have two brothers. Ted is 14 years old. He is a pupil too. Patrick is 4 years old. He does not go to school yet. My mother always takes him to the nursery before she goes to work.

Finally, this is all I can tell you now. I will tell you more about Poland in my next e-mail. Please tell me about yourself, your family and life in Algeria.

Sincerely yours,
 Melinda

Part One:

A/ Comprehension: (07 pts)

Activity One: Choose the best answer that completes each statement. (02pts)
